Honorable Bill D. Burlison
Permanent Select Committee on Intelligence
House of Representatives
Washington, D. C. 20515

Dear Mr. Burlison:

I was gratified by the extended time provided me by the Committee on 30 November. In response to the interest shown in sharing with a wider audience information on a variety of topics, I am enclosing an example of the types of public statements I have made and unclassified information pertaining to the Agency's role against international terrorism, illicit narcotics traffic and the recent personnel reduction in the Operations Directorate of the Agency. I hope this material is helpful.

Yours sincerely,

SIGNED
